

# ANGELS BANISHED INTO HELL

Lyrics by Mark Osier

TTA: Angels We Have Heard on High

Angels banished into hell  
Doing lots of acts depraved  
Movies on the screen will tell  
We know what our viewers crave

C G C \  
CGC CGC / x2

## CHORUS

Gooooooooooooorier  
Senseless acts of violence  
Gooooooooooooorier  
More blood in the movie

C Am Dm G C F G \  
C G C F C G / x2

watch teenagers disemboweled  
Heads lopped off while they have sex  
All the censors will allow  
who knows what we'll think of next?

watch the blood in rivers flow  
Demons die amidst the gore  
when we feel we need more dough  
They'll be back to kill some more
