

## I JUST LOVE THOSE PORNO MOVIES

Lyrics by Mark Osier  
Music by Steve MacDonald

Fawn steps into the bedroom  
In a scene from a young man's dreams  
Chip walks in and kisses her madly  
Moments later she screams

Oh yeah, oooh just like that  
Oh yes, don't stop now  
Oh yeah, oooh just like that

I just love those porno movies  
They're classics of the cinema art  
My girlfriend says they're all the same  
How can you tell them apart  
She can't understand plots so brilliantly planned  
The acting is just so divine  
I just love those porno movies

Savannah and Dixie are skydiving nude  
Ted and Sue share a hottub by day  
Anna and Christie and John in the moonlight  
And they're all heard to say

Oh yeah, oooh just like that  
Oh yes, don't stop now  
Oh yeah, oooh just like that

Buffy and Bubbles are out on the porch  
while Candi and Tex are inside  
Bubbles pops out a large prosthesis  
Buffy's eyes open wide (and she says)

Oh yeah, oooh just like that  
Oh yes, don't stop now  
Oh yeah, oooh just like that

I just love those porno movies  
They're classics of the cinema art  
My girlfriend says they're all the same  
How can you tell them apart  
She can't understand plots so brilliantly planned  
The music is masterfully done  
I just love those porno movies

Beverly and Jean-Luc are naked and sweating  
Jullian and Dax both join in  
Hey, how did this verse get in here?  
Those four would never begin (to say)

Oh yeah, oooh just like that  
Oh yes, don't stop now  
Oh yeah, oooh just like that

I just love those porno movies  
But I also like the Star Treks  
And when I combine them such visions abound  
Just picture holodeck sex  
with alien races and androids and more  
Just think of the script that would make  
I just love those porno movies
