

INSANE

Lyrics by Mark Osier
TTA: Cocaine

Once I had no clue
At Miskatonic U
Insane

But now my mind is gone
Read Necronomicon
Insane

Mystic words, voices heard
Things absurd
Insane

I saw Rylleh city
Way deep down in the sea
Insane

All the corners and bends
Were non-Euclidean
Insane

Darkness reigns, cause some pain
Eat your brain
Insane

Now the Gods of the Deep
Visit me in my sleep
Insane

Soon Great Cthulu
Will be coming for you
Insane

From the deep, never sleeps
Souls he'll keep
Insane
