

WHEN I LOOK INTO YOUR EYES

Lyrics and music by Mark Osier

C Em F C
"Friends and nothing more" - the words came from the phone
And when that evening ended I was all alone - I'd lost you C F C G
C Em F C
Now time has passed, and they say time can heal
And I go on with life as though it wasn't real Em F G

CHORUS

Am G F C
But sometimes when I look into your eyes, I see it there
Am G F G
And sometimes I still see it when the sunlight hits your hair
Am G F
I tell myself that it's not there, but I know that that's not true
F C G C F C G
I can't avoid the love that I still feel for you

Those who'd call me friend, the bodies fill the room
Perhaps their happy faces can dispel the gloom - or maybe not
For you are there, I see your smiling face
And suddenly I feel out of place

CHORUS

D E A
why did you have to be so wonderful?
D E A
why couldn't you be like the rest?
F#m A E A
why did you fill my heart, and why did you leave?
D E A D G F G
And why now can't I put you from my mind?

So if, when I look into your eyes, I turn away
Or when you ask me what is wrong, I don't know what to say
I'll sing it in this song, for I can't say it to your face
Look deep into my lonely heart and see the empty space
